Honors and Awards

The Jan Patočka Memorial Medal awarded 2014 by the Czech Academy of Sciences.

(<https://www.avcr.cz/en/about-us/awards/medals-of-the-cas/the-jan-patocka-memorial-medal/>)

Participation in international projects:

2017-2019

ResInfra@DR - Facilitating macro-regional scope and link up to socio-economic actors of research infrastructure in the Danube Region

2013-2016

ResAGorA - Responsible Research and Innovation in a Distributed Anticipatory Governance Frame. A Constructive Socio-normative Approach

2012-2014

NANOPINION - Monitoring public opinion on Nanotechnology in Europe

2011-2013

PLACES - Platform of Local Authorities and Communicators Engaged in Science (Cities of Scientific Culture)

2010-2011

MASIS - Monitoring Policy and research Activities on Science in Society in Europe

2005-2009

HERA - Humanities in the European Research Area, ERA-NET Programme of FP 6

2006-2007

ProAct - Practical Regional Innovation Policy in Action, CA project in FP 6

2006-2008

SUPER-SME - Supporting Potential and Existing Research intensive SMEs, CA project in FP 6

2002-2004:

RECORD - Recognising Central and Eastern European Centres of R&D: Perspectives for the ERA, STRATA Programme of the 5. Framework Programme EU

1999-2000:

"*Futures Project*", "Enlargement Project", a d'Ále Working Group on "Education, Knowledge and Skills", Institute for Prospective Technological Studies, Joint Research Centre, European Commission, Sevilla

1993-1998:

Network on Transformation of Science Systems in the Central- and East European Countries, German Federal Ministry of Research

Czech grant projects:

2003-2004

Contract with the Governmental Council for R&D, co-author of expertise on selected European innovation systems.

2000-2002

Grant project GA ČR reg. No. 401/00/0442 „Intellectual, Social and Human Dimensions of Science and Research Evaluation in the Czech Republic“. Project results were published and positively evaluated by opponents.

1997-1999

Grant project GA ČR reg. No. 401/96/0182 „Social Functions of Science and Research under the Conditions of Transformation and European Integration“. Project results were published and positively evaluated by opponents.
